<b>Description on Calvert LSA</b>	<p>(Fifteen [15] \$200, non-renewable) Friends of the Harriet Elizabeth Brown Scholars Program and Remnant Center of Excellence, Inc. are launching a new community initiative that combines youth mentoring with learning centered around education and STEM [science, technology, engineering, mathematics] concepts. The HEB launches its pilot program beginning in September 2018, as 21<sup>st</sup> Century Educator, Leadership, and Science and Technology Club. Our Vision is to assist young men in their academic endeavors and help improve the trajectory of their lives. This first-year effort is limited to rising seventh, eighth, and ninth grade students in the Calvert County (to include public, private and home school students), who have a keen interest in education, science and technology, business, and leadership. Open to all- young men of color are highly encouraged to apply. Youth will explore educational career options, be immersed in advances in technology, and learn fundamental leadership skills. Application can be found at <a href="#">Remnant Center of Excellence, Inc.</a> Application deadline April 13, 2018.</p>
